RE: Transaction Number [Permit Number]
[Route], [County] County

Dear [Owner Contact]:

The Missouri Department of Transportation has the responsibility to administer Sections 226.650 to 226.720, RSMo governing junkyards located adjacent to and within 1000 feet of any interstate or primary highway. The route adjacent to your junkyard is a primary highway or interstate and is therefore subject to regulation under Sections 226.650 to 226.720, RSMo.

Upon recent inspection, it has been determined that your unlicensed junkyard is in compliance with Missouri statutes. You have sixty (60) days from receipt of this letter to license your junkyard by completing the attached application and returning to the area permit specialist along with a check or money order in the amount of \$10.00. If your junkyard is not licensed within sixty (60) days, the matter will be forwarded to our legal division for further action.
